60 Total Issues and Pull Requests

60 Completed / **0** Remaining

Completed Issues and Pull Requests	Story points
Design general modules and components of App for customer site App dev mse18-product-scanner **#214** S2 Milestone 2	③
build a small demo based on NodeJS and MongoDB cloud mse18-product-scanner **#221** S2 Milestone 2	⑬
Learning Redux - yang App dev mse18-product-scanner **#223** S2 Milestone 2	③
Meeting Epic mse18-product-scanner **#228** S2 Milestone 2	Not estimated
Presentation Epic mse18-product-scanner **#229** S2 Milestone 2	Not estimated
Data collection Epic mse18-product-scanner **#230** S2 Milestone 2	Not estimated
Research - Model Epic	Not estimated

mse18-product-scanner **#231**   S2 Milestone 2

Sever development   Epic   Not estimated
mse18-product-scanner **#232**   S2 Milestone 2

App development   Epic   Not estimated
mse18-product-scanner **#233**   S2 Milestone 2

Learning React Native development from Udemy section 2 - yang   App dev   ③
mse18-product-scanner **#234**   S2 Milestone 2

Learning React Native development from Udemy section 3 - yang   App dev   ③
mse18-product-scanner **#235**   S2 Milestone 2

Build a crawler   cloud   ⑬
mse18-product-scanner **#236**   S2 Milestone 2

Test MongoDB and NodeJS in EC2   cloud   ③
mse18-product-scanner **#237**   S2 Milestone 2

Learning React Native development from Udemy section 4 - yang   App dev   ③
mse18-product-scanner **#238**   S2 Milestone 2

Learning React Native development from Udemy section 5 - yang   App dev   ③
mse18-product-scanner **#239**   S2 Milestone 2

React learning   App dev   ②
mse18-product-scanner **#240**   S2 Milestone 2

Model migration   cloud   ⑧
mse18-product-scanner **#241**   S2 Milestone 2

React first period review and implement   App dev   ①
mse18-product-scanner **#242**   S2 Milestone 2

React Native lesson section 1   App dev   ⑤
mse18-product-scanner **#243**   S2 Milestone 2

Learning React Native development from Udemy section 6 - yang   App dev   ③
mse18-product-scanner **#244**   S2 Milestone 2

Learning React Native development from Udemy section 7 - yang   App dev   ③
mse18-product-scanner **#245**   S2 Milestone 2

css learning period 1   App dev   ②
mse18-product-scanner **#247**   S2 Milestone 2

React Native lesson section 2   App dev   ⑧
mse18-product-scanner **#249**   S2 Milestone 2

ReactNative Learning section 3   App dev   ⑧
mse18-product-scanner **#251**   S2 Milestone 2

Group Meeting - Discuss seller part and database   Meeting   ⑤
mse18-product-scanner **#252**   S2 Milestone 2

develop the UI of taking photo module - yang   App dev   ⑧
mse18-product-scanner **#253**   S2 Milestone 2

develop the App UI of product Detail module - yang   App dev   ⑤
mse18-product-scanner **#254**   S2 Milestone 2

Apply Redux for the current component and data of the App - yang   App dev   ⑤
mse18-product-scanner **#255**   S2 Milestone 2

Database structure modification   cloud   ⑧
mse18-product-scanner **#256**   S2 Milestone 2

Cannot upload local repository to github   Help   bug   ①
mse18-product-scanner **#257**   S2 Milestone 2

nodejs learning section 1 and 2   App dev   ⑧
mse18-product-scanner **#258**   S2 Milestone 2

Reading CBIR paper   Research   ⑤
mse18-product-scanner **#259**   S2 Milestone 2

Cannot present Seller info and Similar Product info on product detail modal   App dev   Help   ③
mse18-product-scanner **#260**   S2 Milestone 2

Presentaion   docs   ⑤

mse18-product-scanner **#261**   S2 Milestone 2

Learn navigation on React Native - yang   App dev   ①
mse18-product-scanner **#262**   S2 Milestone 2

Prepare presentation slide and practice - yang   docs   ⑤
mse18-product-scanner **#263**   S2 Milestone 2

Meeting wit supervisors   Meeting   ①
mse18-product-scanner **#264**   S2 Milestone 2

Seller update function part 1   App dev   ⑤
mse18-product-scanner **#265**   S2 Milestone 2

Develop the Navigation for the App - yang   App dev   ⑧
mse18-product-scanner **#266**   S2 Milestone 2

Read Blog and Learn React Native Navigation - yang   App dev   ⑤
mse18-product-scanner **#267**   S2 Milestone 2

Read image retrieval papers   Research   ⑧
mse18-product-scanner **#268**   S2 Milestone 2

Data to App - Json   cloud   ⑤
mse18-product-scanner **#269**   S2 Milestone 2

App products state - yang   App dev   Help   ②
mse18-product-scanner **#270**   S2 Milestone 2

Find pre-trained model for the image retrieval corresponding to our dataset   Research   ⑧
mse18-product-scanner **#271**   S2 Milestone 2

presentation slide and preparation   docs   ⑤
mse18-product-scanner **#272**   S2 Milestone 2

React Native section6 learning   App dev   ⑤
mse18-product-scanner **#273**   S2 Milestone 2

web-server Update delete function   App dev   ⑧
mse18-product-scanner **#274**   S2 Milestone 2

Collect 27 products data   Research   docs   ③
mse18-product-scanner **#276**   S2 Milestone 2

loading image error (RGB?)   bug   ⑧
mse18-product-scanner **#279**   S2 Milestone 2

Synchronize android app to the IOS platform   App dev   ③
mse18-product-scanner **#280**   S2 Milestone 2

Learning React Native development from Udemy section 9 - yang   App dev   ⑤
mse18-product-scanner **#282**   S2 Milestone 2

Implement the take photo function - yang   App dev   ⑤
mse18-product-scanner **#283**   S2 Milestone 2

Learn React-thunk middleware - yang   App dev   ③
mse18-product-scanner **#284**   S2 Milestone 2

Image Retrieval Workflow in Pytorch   Research   ⑧
mse18-product-scanner **#285**   S2 Milestone 2

Learn Redux-saga middleware - yang   App dev   ⑧
mse18-product-scanner **#286**   S2 Milestone 2

Fix the logical of pushing current screen to another screen after taking a photo   App dev   ①
mse18-product-scanner **#287**   S2 Milestone 2

Post Image to Server   App dev   ⑧
mse18-product-scanner **#288**   S2 Milestone 2

.csv format error   bug   ⑧
mse18-product-scanner **#290**   S2 Milestone 2

Prepare for the tutorial about Computer Vision   docs   ⑤
mse18-product-scanner **#291**   S2 Milestone 2

set a new router for mobile image uploading   cloud   ⑤
mse18-product-scanner **#292**   S2 Milestone 2
